25X1 1. [redacted] Talked with Frank Schupp, House Foreign Affairs Committee, who said the meeting with [redacted] went very well and there were no real problems. Made arrangements to pick up for [redacted] a copy of the transcript. 25X1

25X1 2. [redacted] In accordance with previous arrangements, met with Representative L. Mendel Rivers in response to his letter of 8 June. I briefed him fully on this subject including the special efforts in this regard. He said he had assumed this was the case but simply wanted to be brought up to date. He did ask about our next meeting with Mr. McCone and I informed him it is presently set for Friday, the 22nd.

25X1 3. [redacted] [redacted] advised further on the query from Eastland on the Castro situation saying they had talked with Allen Evans in Hilsman's shop and a full position is being prepared for review by the President prior to discussion with Eastland. [redacted] 25X1

25X1 [redacted] indicated that since the matter is being handled in part in the Legal Advisor's office in State they had indicated to Evans that there are special restrictions regarding CIA reports and if there were any questions in State's Legal Advisor's office they should contact the Agency legal office.
